Dear University Admission Committee,

Subject: Confirmation of Financial Situation and Endorsement

I am writing to confirm the financial circumstances of Mr. Thamish Wanduragala, who serves as a full-time instructor in the Department of Computer Engineering at the University of Peradeniya.

As a full-time instructor, Mr. Thamish earns a monthly salary of less than USD 150 (approximately LKR 41,000), which is barely sufficient to meet basic living expenses in Sri Lanka's severe inflation and economic challenges. Consequently, accommodating additional costs such as application fees for international opportunities is significantly burdensome.

In his role within our department, Mr. Thamish has demonstrated a strong aptitude for research and teaching. I have no hesitation in endorsing his potential and suitability for pursuing higher studies, which would enable him to make meaningful contributions to the global academic community.

Given his financial constraints, I kindly request your consideration and understanding regarding waiving the application fees that challenge his pursuit of higher education.

Thank you.

Yours sincerely,

Prof R.G. Ragel
